RACING GOAL:

PROFESSIONAL DRIVER – Auto Club Late Models, Currently Ranked 5th 7+ Years Racing Experience

Third-generation racing champion with impressive top finishes in both IMCA Modified, South West Tour Trucks and Auto Club Late Models, seeks a spot in a high caliber driver development program that will fuel career growth into a top-rated driver, both on and off the track.

Top Physical Condition / Very Clean Driver / Strong Safety Record
Extensive Race Car Knowledge: Co-Build, Co-Design, Repair, Maintain, Fine Tune

SUMMARY

- ◆ Currently one of the youngest racers in Auto Club Late Models, with a tenacious drive to succeed. 100% committed to promoting the sport of race car driving and related sports products through professional involvement in racing events, exposure to the community, and dedication to athletic excellence.
- ◆ Strong presentation skills. Local media exposure through newspaper articles, radio, community fundraising appearances, Live Televised races and at races attended by thousands of fans at Irwindale Speedway, Ventura Raceway, Havasu 95 Speedway, Blythe I-10 Speedway, Altamont Raceway Park, Las Vegas Bull Ring and Orange Show Speedway.
- ◆ Dedicated mentor and coach to up-and-coming racers. Experience includes developing and coaching VRA Jr. Midget training sessions and achieving aggressive goals. Successfully coached the reigning 2008 Jr. Midget Champion.
- ◆ Strong mechanical knowledge and good technical understanding of optimal racing techniques used to maximize speed. Very eager to acquire advanced driver training techniques and strategies. Complete access to a fully furnished race shop facility in Santa Ynez, California.
- ◆ Extremely coachable and motivated with a rock solid work ethic. Fully respects the vital importance of working as a team under pressure, stress and extreme conditions.

SPECIALIZED TRAINING

Advanced Certification, Cory Kruzman Sprint Car and Midget Driving School
Steve Milton Racing School, Santa Maria Karting Association
